J. C. BOSE, Dy. Educational Adviser

## MINISTRY OF TOURISM AND CIVIL AVIATION

New Delhi, the 8th November 1967

## RESOLUTION

No. 20-AC(9)/67.—The present wage structures of each of the two Air Corporations, Air India and the Indian Airlines Corporation, have evolved over the years on the basis of negotiations or as a result of judicial awards. Although efforts have been made by the two Corporations to bring about some measure of uniformity in their respective wage structures, the absence of adequate scientific evaluation of the various jobs in the two Airlines, have made wage negotiations and settlement in the past difficult, and have resulted in claims and counter-claims relating to wage differentials, relative skills and working conditions within each Corporation and as between the two. The Management of the two Corporations, in consultation with a number of unions of their employees have suggested the creation of an independent job evaluation machinery to examine the different types of jobs in the two Airlines for the purpose of rationalisation of wage structure.

2. The Government of India have accepted this suggestion and accordingly hereby appoint a Committee to be called the Air Corporations Job Evaluation Committee consisting of Shri S. N. Guha Roy, a retired Judge of the High Court of Judicature at Calcutta. The Committee will be assisted in its work, by Air Commodore M. L. Akut, of the Indian Air Force and Shri Y. R. Malhotra, Director of Air Safety in the Civil Aviation Department, as technical experts/assessors. Efforts are also being made to get one more expert/assessor through the International Federation of Air Line Pilots Association. Government hope to announce the name of this third assessor as soon as the necessary negotiations are completed.

The Committee will conduct job evaluation, having regard to the duties, qualifications and responsibilities of the various categories of workmen. It will not fix any wage or salary rates but will determine the relative value of one job as against another in each Corporation, viz. Air-India and Indian Airlines Corporation, and also as between the same jobs in the two Corporations, with a view to providing a sound and scientific basis for future wage negotiations and wage agreements and judicial awards after current agreements expire.

3. The terms of reference of the Committee will be as follows :—

The job evaluation will be made to determine the relative position in the job structure of the following categories of employees of Air-India and IAC taking into account *inter alia* the nature of the jobs, the work-load and skills involved and the type of equipment in use :—

- (i) The cockpit crew, viz. Pilots, Navigators, Flight Engineers of each of the two Corporations *inter se* and of the two Corporations as aforesaid.
- (ii) Such other categories as may be referred to the Committee by Government.

4. The Committee will devise its own procedure and take such assistance from within the Corporations or outside and call for such information or records as it may deem necessary. The Corporations will furnish such information/documents and other assistance as may be required, by the Committee.

5. The Committee will report to the Government its findings in regard to the evaluation of cockpit crew as soon as practicable, but not later than 31st March, 1968.

## ORDER

ORDERED that a copy of the Resolution be communicated to the Ministry of Labour and Employment and Rehabilitation/Ministry of Finance (Communications Division)/Director General, Bureau of Public Enterprises/General Manager, Indian Airlines/General Manager, Air-India/Director General of Civil Aviation and also that the resolution be published in the Gazette of India.

R. C. DUTT, Secy.
